

PACKAGING MANAGEMENT AND DISPOSAL D.lgs. 3 September 2020 n°116

"In compliance with Legislative Decree 3 September 2020 n. 116, San Polo Lamiere S.p.A. fulfills the obligation of environmental labeling of packaging by conveying the coding of the materials of which they are made, through the publication of information on its website https://www.sanpololamiere.it/wp-content/uploads/2018/06/Imballi_EN.pdf given the technological limits that do not allow the physical affixing of environmental labeling directly on the packaging".
